Things to Remember:

1. Please make sure to check the calendar and see when the fieldtrip days are, what time the program is leaving and where is the fieldtrip site. It will also help you in knowing what things your child/children will be needing that day.
2. Please make sure to arrive at program at least 15 minutes before the leave time so your child/children will have enough time to be ready for the trip.
3. Please also note that when we go on a fieldtrip, it should be a no heat up lunch and peanut free.
4. Please make sure to dress your children appropriately for the weather. i.e. closed shoes only, no flip flops or open toe sandals. Please send your child/children with the **following:**
 - *Hats,*
 - *Swim wear/towels (water days, wading pools, etc.)*
 - *Sunscreen or bug spray*
 - *Water bottle*
 - *Extra clothes like pants, shirts, underwear (in case they need them)*
 - *Back Pack (so children can walk around freely and to avoid them from losing their stuff during fieldtrips)*
 - *Plastic Bag for wet clothes*

***Please note that the fieldtrip places listed above are subject to change or cancellation depending on the weather and any uncontrollable circumstances.**
