Christmas is fast approaching! Please watch for the Christmas holiday list to be coming out around the middle of November. This is to help us staff accordingly through the Children's Christmas break.

It is the time of year where indoor shoes are important. They are for the safety of our children. Please ensure a pair is brought and able to be left in your child's cubby.

October was a very busy month, we had an Open House and it was a success. Teachers and staff from the school and other community organizations from around the area visited. Children enjoyed showing their arts and crafts and activities to the visitors.

The children also took part in a cook off October 12th where we invited judges. Everyone enjoyed the cook off and children were proud of their finished products. They also had a blast eating the food they cooked the next day. We also went for a walk to Dollarama.

There were also a lot of outdoor time as the children enjoyed playing the snow.

Staff had a Professional Training Day last October 19th.

Children had a blast with their Halloween Party. They just loved decorating the program with all the Halloween decorations and with all the arts and crafts that they made.

We have been enjoying the warm weather as well.

We currently have 55 children enrolled at program.

If your child will be away from the program or not returning for the day, please call the program at 403-248-8198. For your child's safety, we need to know if he or she will be at the program for that day so we know what to do.

IMPORTANT REMINDERS:

If you have any changes on your information i.e. address, phone numbers etc. please let us know, it is imperative that we have the most up to date information. We are asking for at least 5-10 minutes of your time to please stop by so we can have a time to update information and have the chance to talk with the staff how your child/children are doing in the program. We will be doing this twice a year.

Just to let you know that if someone is coming to pick your child at the program even if they are in the pick-up list and the staff have not seen them before (esp. new staff) they need to show an ID to make sure your child went home with the right person. And you can also notify the program that someone else is coming to pick your child up.
