Winter Walk Day

Welcome 2019

Happy New Year from everyone at Children's Choice!! We are looking forward to an exciting new year full of fun and learning adventures. We have been fortunate to have had a mild winter so far, it would be nice if it stayed this way, but we all know that won't happen. So, to prepare for the cold weather and for us to be able to enjoy being outside in the snow, please make sure your child has proper winter wear.

We would like to say Happy Birthday to Othelia, Evana, Danelle & Jannelle who all had birthdays in December

We would also like to say Happy Birthday to Mailie, Dalia and Lois who all celebrate in January

It is our belief that a child care program should meet the needs – intellectual, physical, emotional, creative, and social of the individual child. We believe that children have their own rate of development and that our role is to support that unwritten timetable of individual growth. We respect that children need to make choices, develop skills and be as independent as they are capable of being.
