July/August 2019

Things to Remember:

1. Please make sure to check the calendar and see when the fieldtrip days are, what time the program leaves the program and where the fieldtrip site is. It will also help you in knowing what things your child/children will need that day.
2. Please make sure to arrive at program at least 15 minutes before the leave time so your child/children will have enough time to be ready for the trip.
3. Please also note that when we go on a fieldtrip, it should be a no heat up lunch and peanut free.
4. Please ensure that all permission forms were signed including Injanation's online waiver form otherwise; we can't bring your child/children with us during field trip days and you will be responsible to look for an alternative care that day. Please log on to their website or at <https://lilypadpos6.com/inja/onlinewaiver/waiver.php?sid=459913>. **This must be signed at least 3 days before we go, and we need a proof that you signed the online waiver form.**
5. Closed shoes are mandatory. Please send your child/children with the following:
 - *Hats,*
 - *Swim wear/towels (water days, wading pools, etc.)*
 - *Sunscreen and bug spray*
 - *Water bottle*
 - *Extra clothes like pants, shirts, underwear (in case they need them)*
 - *Back Pack (so children can walk around freely and to avoid them from losing their stuff during fieldtrips)*
 - *Plastic Bag for wet clothes*

***Please note that the fieldtrip places listed above are subject to change or cancellation depending on the weather and any uncontrollable circumstances.**

***Please also note that we will be going to Forgetmenot Pond and there is no phone signal at that site. We planned to do hotdog and s'mores barbecuing that day. Children can still bring their lunches if they wished to.**

Please feel free to talk to the staff if you need help. And you can also contact us at 403-248-8198 or email us at childrenschoice-oosp@nucleus.com. Thank you and have a fun summer ahead!
