## News from the Program

Finally, warm weather has come! Please make sure to send your children with a hat, sunscreen, bug spray and water bottle. They also need indoor shoes and extra clothes.

If your child will be away from the program or not returning for the day, please call the program at 403-248-8198. For your child's safety, we need to know if he or she will be at the program.

Last month, we celebrated Mother's Day with light snack and some activities for both Mom and child/children. Everyone who came to celebrate had a blast!

Currently, we have Carnival Drama center set up and we have been going outside a lot to support "Go Out and Play" where programs and daycares are encouraged to spend more time outdoors if possible.

We started to book parents for Parent-Staff interviews, and we are hoping to finish this by the end of June.

We are awaiting the site visit for our license renewal the present license expires at the end of June .

We are also preparing for our accreditation site visit early next year.

**IMPORTANT REMINDERS:**

If you have any changes on your information i.e. address, phone numbers etc. please let us know, it is imperative that we have the most up to date information. We are asking for at least 5-10 minutes of your time to please stop by so we can have a time to update information and have the chance to talk with the staff how your child/children are doing in the program. We will be doing this twice a year.

Just to let you know that if someone is coming to pick your child at the program even if they are in the pick-up list and the staff have not seen them before (esp. new staff) they need to show an ID to make sure your child went home with the right person. And you can also notify the program that someone else is coming to pick your child up.
