## Day care News

### Important Dates:

September 18  
Annual General Meeting

October 4  
Staff Training Day

October 14  
Thanksgiving Day

### Day Care Closure

We will be closed on Friday, Oct. 4<sup>th</sup> for Staff Training Day. This day is made up of various workshops and group discussion in order for our staff to enhance and improve on their work skills. This day is very important in order for Children's Choice to continue to provide quality care for your children.

### A.G.M.

Our Annual General Meeting will be held on September 18<sup>th</sup> from 6:00 - 8:00. The meeting will be at the After School Program, 3133 30<sup>th</sup> Avenue S.E. We will be providing snacks and childcare if you would like to attend. The Board of Directors is hoping to increase their members and could really use your help. Come check it out! You could be a great support to your child's program.

With children leaving, we also get to say hello to many new children. We would like to welcome, Hazel & Olive, Alisha, Cali & Mason, Zelig & Ines, Connor, Amal & Mahmoud, Serena & Noah, Arabella, Amin, Roman, Alvia, and Luke.

For the month of September the children will be getting back into our fall schedule. Our daily schedule is set to give the children consistence, comfort and security. The children all gather together in the morning and at the end of the day. For the rest of the day the children are in their own group with their primary care givers. While in their own group they will have free play, creative art activities, music, outdoor play, naptime and nutritious snacks and lunches, which follow the Canada Food Guide. A strong emphasis is placed on building social relationships and a positive self-image. The staff has planned some new and exciting activities for the children. This month they will be learning all about fall, leaves, and changing weather.

## Happy Birthday to Liam & Jacob, Athena, Mahmoud, Ryan, Olivia and Cooper

## It sure would be nice to have some more Board Members!

It is our belief that a child care program should meet the needs – intellectual, physical, emotional, creative, and social of the individual child. We believe that children have their own rate of development and that our role is to support that unwritten timetable of individual growth. We respect that children need to make choices, develop skills and be as independent as they are capable of being.
