

Children's Choice Community Child Care Services

Provider Newsletter
March 2020

*You are making a difference **EVERY** day*

Every month we will choose a different provider and share some parent feedback and appreciation in our newsletters.

A big thank you to our wonderful educators for your dedication to providing quality childcare.

**This month we are sharing feedback for
Rumana's DayHome.**

Keep up the great work Rumana!

Our family absolutely loves Rumana! Our son is so happy at her home, he's constantly learning and having so much fun. When we drop him off, we know he's in loving hands and is flourishing. Thank you Rumana, for providing such a wonderful environment for the children in your care; we're so lucky to have you!

We have only great things to say about Rumana, our daughter looks forward to seeing her every morning, she is calm and comforting with our daughter. I always feel like she is in such great hands when she is dropped off. They get a lot of fresh air, do crafts, play games, she loves her time with Rumana. We couldn't ask for a better day home provider.

Training Opportunities

ACES Training Course:

This course is like trauma training course but is specific to early learning and brain development.

<https://www.acesonlinelearning.com/>

Brain certificate training:

This is a bit of a longer course, but it covers everything from brain development to reasons why responsive caregiving and serve and return are so important.
