Provider Spotlight Angela Cabili-Bernal

Hello,

My name is Angela Ann Bernal Cabili.

My life is unique because I love to be around kids. I enjoyed helping them to meet their needs. I graduated with a Bachelor of Secondary Education back home. I started working in Elementary School for 1 year back home, and then came to Canada. In Canada, I worked as a Supervisor in Daycare for 2 years. I then decided to work from home, to take care of my own children and other kids. Now, I have been happy running a DayHome for 5 years and I am so grateful because they are my passion, and happiness in my life. In my Day home, I offer happiness, healthy foods, healthy snacks, indoor activities, and outdoor activities, reading books, singing, dancing, arts & crafts, and all basic needs. The most unique thing that I include in my DayHome is my special feeling of fun, passion, joy, and love. I am so grateful since I started my DayHome in 2016, the kids I cared for are still with me now. I appreciate all the parents that trust me, thank you to all parents you make my heart happy and encourage me to be a better educator. I am thankful also to the Children choice team for their support and care to their educator. I appreciate all your hard work.

Agency Reminders

Just a reminder to please let the agency, or your consultant, know if you are taking any time off. Please tell us prior to telling your families.

With the warm weather fast approaching make sure you get your parents to fill out the sunscreen forms! The forms have been emailed out.

When signing contracts with new or existing families YOU are responsible, not the parent for sending to the agency so we can complete registration or update the file if it is a contract change. Please make sure you are using the most up to date contracts with our correct email address on them!

How to make your Dad feel Special for Father's Day!

1. Write a handwritten letter to your father and pour all the love right in there.
2. Get cooking and prepare a Father's Day dinner for your favorite man. If you do not know how to, you can check out Father's Day special cooking classes online.
3. Bake a cake for him, even if there is no lockdown; you can really bake a cake by yourself rather than buying one. Your dad will feel special.
4. Take your dad for a Father's Day brunch.
5. Do It Yourself- Go all creative and make a DIY Father's Day Cards & Gifts. Write a special note that has a memory attached to it, he will love it.
6. Bring out the artist in you or get it done by some artist you know - gift your father a family portrait, she will cherish it forever!
7. Get a Father's Day gift- something that he is extremely fond of; a thing of luxury, fancy shirts, whiskey glasses, or anything that makes him smile.
8. Take your father to a Virtual Father's Day party and make it a unique experience for him.
9. Get him tickets to some online event that he would love - cooking event, comedy show, or a car show whatever he loves.
10. Binge watch together, after all it is about spending time together.
11. Spoil your dad with flowers, chocolates, and all things fancy. Pamper him the way you have always been pampered.
12. Get all crafty and artsy - join a paint party, photo scrapbook, or anything crafty.
13. Take a Father's Day Barbecue Party or take him to pop up markets and shop for him.
14. For the tiny tots, the mothers would be planning the Father's Day so it can be a fun play date or probably a day out with the babies.

Come Celebrate National Indigenous Peoples Day!

On June 21, you and all your friends are invited to a very special celebration! That date, the first day of summer, has been chosen as **National Indigenous Peoples Day!**

In 1996, the Governor General of Canada, Roméo LeBlanc, proclaimed it National Aboriginal Day! It's an opportunity for everyone to celebrate the cultural richness and contributions of **First Nations, Inuit, and Métis** peoples. In 2017, the Prime Minister announced the day would be renamed **National Indigenous Peoples Day.**

Why June 21? For centuries, many of the first inhabitants would celebrate the arrival of the warm weather and the pleasures of the summer solstice. The summer solstice is

the day of the year with the longest light. It is a day with spiritual significance for many people and is a good time to celebrate Indigenous people and cultures.

Activities for **National Indigenous Peoples Day** are organized across Canada every year. You can take part by getting in touch with an Indigenous community or a local Indigenous organization, or by organizing your own activities with your relatives and friends. For more information about the day's activities, you can visit Canada.ca/national-indigenous-peoples-day.

National Indigenous Peoples Day is for all Canadians, so share in the celebration.
