Yay, it's back to school again. Please make sure to send your child/children with a hat, sunscreen, bug spray and water bottle as there are still warm days. On the other hand, the weather can also get cold some days, so they need to wear proper clothes. Furthermore, they need indoor shoes with closed toes and extra clothes to be kept at program.

Our summer was a blast. The children loved most all the places we went. Forget-me-not Pond remains to be their highly rated place. They said they loved that they could go and dip their feet in the water and throw rocks into the river.

We went to new places this year such as Calgary Zoo, North Glenmore Park, Banff, Elliston Park. St Patrick's Park was cancelled due to the weather. They enjoyed Calgary Zoo and loved Banff, but they said it's too far.

Back to school this year was a bit confusing schedule for the Program because of the staggered entries. Some children went in the morning or afternoon, and some went different days. However, we were able to manage it with some few glitches.

We would like to remind parents that if your child will be away from Program, please notify us at **403-248-8198(landline)** or text or call **Program cellphone at 403-510-1874**. You can also email us at **oosp@childcarecalgary.com**. This is for the safety of your children. If we were not able to answer your call, please leave us a message instead or text Program's cellphone.

Additionally, we would like to remind parents that we will be closed on September 29th to observe National Day for Truth and Reconciliation.

Have fun this 23-24 School Year! We hope everyone enjoyed their summer this year!
