

Date	Observation (What did you see? What is the child or children doing, playing with, pretending to do/be?) Please use children's initials.	Response to Observation (How did you add to their play? What toys, objects, items did you introduce based on the observation? Did you go on a field trip based on the observation?)	Reflection (What happened when you introduced items into the children's play? Include photographs in this section to document the results)

References

(Please identify the different resources used for your craft/project/responses to observation here. Did you use Pinterest? A web page? A book?)

Example: Butterfly craft
